

Futuro Health is offering the opportunity for qualified applicants* to enroll, tuition-free, in our 100% online Healthcare Project Management Program, which will prepare you for an in-demand job as a Healthcare Project Coordinator or a Junior Project Manager.

About Healthcare Project Coordinator

Project coordinators ensure projects are completed on time and within budget. Project coordinators work with various members of the project team and the customer to develop a timeline, create schedules, and oversee progress to make sure goals are met on time.

Junior Healthcare Project Manager

Junior Project Managers are responsible for planning, organizing, and directing operations related to ongoing projects in the company. They lead team members and oversee company projects to make sure they are running as planned.

Fast Facts about the Futuro Health Program:

- You'll gain an immersive understanding of the practices and skills needed to succeed in an entry-level project management role.
- Upon completion, you'll earn a Google Project Management Certificate that prepares you to take the Certified Associate in Project Management (CAPM) exam.
- The program is offered online and takes approximately 6 months to complete.
- To ensure commitment and completion, participants are required to pay a one-time \$100 non-refundable registration fee.
