

LIMITED TIME OPPORTUNITY!

Futuro Health is offering the opportunity for qualified applicants* to enroll in Spring/Summer 2022 terms.

In supporting our aim to grow the largest network of healthcare workers, Futuro Health provides generous financial support by combining Futuro Scholarship funding and federal need-based financial aid.

About Medical Assistants

Medical assistants are critical to the smooth running of doctors' offices, clinics, hospitals, and other medical facilities. They carry out a variety of administrative and clinical tasks under the supervision of a physician or nurse practitioner.

Medical Assistants are one of the fastest growing occupations in California, with a projected growth rate of 25% by 2028.

Fast Facts about the Futuro Health Program:

- Certificated 8-12 month training program with clinical externship (non-paid) required.
- Students accepted into the Medical Assistant Program are eligible for a Futuro Health Scholarship after successfully submitting the Free Application for Federal Student Aid (FAFSA).
- Students can expect to pay minimal out-of-pocket cost associated with the application and enrollment process. For a full list of student costs, visit portal.futurohealth.org and select "Medical Assistant".

After completing the Medical Assistant Program, students will take the Certified Medical Assistant (CMA) Certification Exam offered through the American Association of Medical Assistants (AAMA) or the National Center for Competency Testing (NCCT). This cost included in our scholarship.
