

Futuro Health is offering the opportunity for qualified applicants* to enroll in a Registered Dental Assistant Program, tuition-free in the Sacramento region, North Hollywood and Garden Grove.

About Dental Assistants

Registered dental assistants record treatment information in patient records. They operate high-tech dental lab and diagnostic tools including performing dental x-rays; dental impressions; providing patients information on dental hygiene, oral health care, and plaque control programs; collecting and recording medical; taking dental histories and patient vital signs; assisting the dentist during a dental procedure.

Following completion of the program, students will sit for the State Board Examination, and upon successful completion, will become a Registered Dental Assistant (RDA) and consequently perform RDA functions in the dental office.
